

# The Daily Planet

## Love

Verse 1:

In the morning we arise and  
Start the day the same old way  
As yesterday the day before and  
All in all it's just a day like  
All the rest so do your best with  
Chewing gum and it is oh so  
Repetitious  
Waiting on the sun

Verse 2:

Down on go-stop boulevard it  
Never fails to bring me down  
The sirens and the accidents and  
For a laugh there's plastic nancy  
She's real fancy with her children  
They'll go far, she  
Buys them toys to  
Keep in practice

Waiting on the war

Bridge 1:  
I feel shivers in my spine  
When the iceman, yes his ice is melting  
Won't be there on time  
Hope he finds a rhyme  
For his little mind

Bridge 2:

I can see you  
With no (hands)  
(face)  
Eyes I need you  
You're my (heart)  
(face)  
Look we're going round and round
