## Crossfire

## **Brandon Flowers**

There's a still in the street outside your window You're keeping secrets on your pillow Let me inside: no cause for alarm I promise tonight not to do no harm I promise you babe I won't do you no harm And we're caught up in the crossfire of heaven and hell and we're searching shelter Lay your body down lay your body down lay your body down Watching your dress as you turn down the light I forget all about the storm outside Dark clouds roll their way over town Heartache and pain came a-pouring down like hail sleet and rain yeah, they're handing it out And we're caught up in the crossfire of heaven and hell and we're searching for shelter Lay your body down And tell the devil that he can go back from where came His firey arrows drew their beat in vain And when the hardest part is over we'll be here And our dreams will break the boundaries of our fear The boundaries of our fear Lay your body down Next to mine Song Discussions is protected by U.S. Patent 9401941.
