

# If You Wanna Stay

Keith Urban

Go if you wanna go,  
Stay if you wanna stay  
My heart's not a game you can play with  
And put away  
Baby tryin' to figure you out  
Could make a man go insane  
So just go if you wanna go  
Stay if you wanna stay Dream what you wanna dream  
Be who you've gotta be  
I never wanna be the one  
Who kept you from being free  
But girl I've gotta know what you want  
'Cause I've taken all I can take  
So just go if you wanna go  
Stay if you wanna stay  
Every time you decide  
To spread your wings and fly  
You make the same mistake  
And I can't take any more goodbyes  
So baby just go if you wanna go  
Stay if you wanna stay Every time you decide  
To spread your wings and fly  
You make the same mistake  
And I can't take any more goodbyes  
So baby just go if you wanna go  
Stay if you wanna stay I don't wanna lose  
Everything our love has made  
I don't wanna feel alone  
Whenever you go away  
So just go if you wanna go  
Stay if you wanna stay  
Baby just go if you wanna go  
Stay if you wanna stay
