My Medicine

Snoop Dogg

Yeah, I like to dedicate this record right here to my main man

Johnny Cash, a real American gangster

I got my nephew Whitey Ford on the guitar

Young Trev' on the drums

Grand Ole Opry, here we come, uhhJack be nimble, Jack be quick

Jacked up the spoon on the candlestick

Dopestick pimpin on the one-trick pony

Yeah she kinda skinny but she gets my money

Get my money, buy my medicine

Buy my medicine, buy my medicine

Get my money, buy my medicine

Buy my medicine, buy my medicine Yeah, you know I got to have that medicine

That prescription medicine baby

Y'know, purple, orange, green

Jack starts hangin 'round with some fiends

Got strung out, sold the cow for beans

Told young wifey, "I love ya honey

But you gotta hit the streets, go and get my money"

Get my money, buy my medicine

Buy my medicine, buy my medicine

Get my money, buy my medicine

Buy my medicine, buy my medicineYeah, the mo' dedicated the mo' medicated

Can you feel me?Girl my love's gonna last, just as long as my high

(And I'm high all day, every day)

You can trust every word I'm gonna say will be a lieHaha, yeah I lie sometimes

What's the use of the truth if you can't get a lie sometimes baby?

Now dig this

Jack starts a track up and down the hill

Got to walkin thinkin ace what he told to Jill

Come rain, come shine, come snow or if it's sunny

Get the fuck out, come and get my money

Get my money, buy my medicine

Buy my medicine, buy my medicine

Get my money, buy my medicine

Buy my medicine, buy my medicineYeah

They say you can't buy me love, but you damn sure can buy me budGirl my love's gonna last,

just as long as my high

(Oh I'm so high right now, how 'bout you?)

You can trust every word I'm gonna tell you is a lie

(Liar liar, haha, pants on fire)

Girl I love you (I love you though)

Yeahhhh!
