

# Laughing in the Sugar Bowl

## Veruca Salt

That day Chinatown burned down I saw you start the fire  
So deep, so sweet, Alphabet Street, what a poet what a liar  
Gotta spell check it  
(A) A, (B) B, (C) C, (D) D, (E) F G H  
I'm the enemy No way oh way oh  
Whole Lotta Love is coming on the radio  
Oh no here we go  
Ha ha look who's laughing in the sugar bowl  
Confused, not amused, par la belle chanteuse, the morning after  
First act, no tact, what a play back, wasn't that a Good Disaster?  
Count it off  
Na na na na Repeat Oh way oh way oh  
Dirty Back Road is playing on the stereo  
She's the flame and I'm the glow  
It started raining, it's still coming down Don't look back, don't look behind you  
Don't look back, don't look behind you Let's sing it out  
Do Re, Mi Fa, Sol La  
La la la la la  
Oh way oh way oh  
Whole Lotta Love is coming on the radio  
Oh no here we go  
Ha ha look who's laughing in the sugar bowl  
Oh way oh way oh  
Dirty Back Road is playing on the stereo  
She's the flame and I'm the glow  
Ha ha look who's laughing in the sugar bowl  
She's the flame and I'm the glow  
Ha ha look who's laughing in the sugar bowl  
She's the flame and I'm the glow  
Ha ha look who's laughing in the sugar bowl
