

# Where Did All the Love Go?

## Kasabian

Never took a punch  
In the ribcage sonny?  
Never met a soul  
Who had no shrine  
Keep this all in your mind  
And get inside my window  
What do we become  
Trying to kill each other?  
You're faking it son  
Gonna get you tonight  
I suck another breath  
To the hearts of the Revolution  
'Cos it still ain't right  
Where did all the love go?  
I don't know, I don't know  
Where did all the love go?  
I don't know, I don't know  
Can't see the signs  
Of a real change a commin'  
Take another sip  
From this hobo's wine  
Get yourself a million miles  
From this concrete jungle  
This is a time  
Full of fear full of anger  
A hero's exchange for a telephone line  
Whatever happened to the  
Youth of this generation?  
'Cos it still ain't right  
Where did all the love go?  
I don't know, I don't know  
Where did all the love go?  
Now I don't know why  
Oh why  
The rivers on the pavement  
Are flowing now with blood  
The children of the future  
Are drowning in the flood  
Where did all the love go?  
Now I don't know why  
I don't know why  
In this social chaos  
There's violence in the air  
Gotta keep your wits about you  
Be careful not to stare  
Oh-oh-oh-oh  
Where did all the love go?  
I don't know, I don't know  
Where did all the love go?

Now I don't know why  
Oh why
