

Love No More

Loud Luxury & anders

Say it ain't so
Why you acting like I don't know?
Things between us getting hot though
It ain't adding up
Think I had enough, enough I could see through you
You did everything you said you wouldn't do
You're praying I don't find somebody new
I'm trying but I can't help it, can't help it I don't want your love no more
It's not what I'm looking for
I don't want your love
If you can't be the one I want
Can't help it
I don't want your love no more (no more, no more, no more)
It's not what I'm looking for
I don't want your love no more
If you can't be the one I want
Baby, I'm gone
Love no more, no more, no more
Love no more, no more, no more
I don't want your love no more, no more, no more
Love no more, no more, no more
Can't help it Say it ain't so
I believed you were my angel
Now you dancing with the devil
It ain't adding up
Think I had enough, enough
I could see through you
You did everything you said you wouldn't do
You're praying I don't find somebody new
I'm trying but I can't help it, can't help it I don't want your love no more
It's not what I'm looking for
I don't want your love
If you can't be the one I want
Can't help it I don't want your love no more
It's not what I'm looking for
I don't want your love no more
If you can't be the one I want
Baby, I'm gone
Love no more, no more, no more
Love no more, no more, no more
I don't want your love no more, no more, no more
Love no more, no more, no more

Can't help it
I don't want your
