When I Was Your Man

Bruno Mars

Same bed but it feels just a little bit bigger now, our song on the radio but it don't sound the same when our friends talk about you all it does is just tear me down cause my heart breaks a little when I hear your nameIt all just sounds like oh, too young, too dumb to realize that I should've bought you flowers and held your hand should I gave you all my hours when I had the chance take you to every party cause all you wanted to do was dance Now my baby's dancing but she's dancing with another manMy pride, my ego, my needs, and my selfish ways caused the good strong woman like you to walk out my life now I never, never get to clean up the mess I made and it hunts me every time I close my eyesIt all just sounds like oh, too young, too dumb to realize that I should've bought you flowers and held your hand should I gave you all my hours when I had the chance take you to every party cause all you wanted to do was danceNow my baby's dancing but she's dancing with another man Although it hurts I'll be the first to say that I was wrong I know I'm probably too late to try and apologize for my mistakes but I just want you to knowI hope he buys you flowers I hope he holds your hand Give you all his hours when he has the chance take to every party cause I remember how much you loved to dance do all the things I should have done when i was your man do all the things I should have done when i was your man
