

You & I

Crystal Fighters

Happy, spinning, clapping,
laughing, dancing, in the blackness of magic.
Get it, have it, bag it,
throw yourself on the aeroplane and fly like magic.
No sleep, no chance, no need forget about it.
One life, live free,
big dreams we're all about 'em.
You're finding it, take it,
take it in it's all a hit
You and me, no-one else,
it's nothing else but us right now.
And I ain't need nothing else,
no-one else but you and I.
And it ain't me, it ain't you,
it's only us, it's us right now.
You're findin it, take it,
take it in it's all a hit.
You and me, no-one else,
nothing else but us right now.
And I ain't need nothing else,
no-one else but you and I.
And it ain't me, it ain't you,
it's only us, it's us right now.
You and me, no-one else,
nothing else but us right here.
You and I, no-one else,
nothing else but you and I.
Time is not the constant my friend,
You can't tell me out of that one again.
Yeah like we gave ourselves the Benz.
To a line I'll never understand.
Speed it up, or if you mean it slow it up a little bit just to speed it back up again.
Ham me up or send me down
and I won't ham it up or simmer down with it brethren.
Nothin else but us right now And I ain't need nothing else,
no-one else but you and I.
And it ain't me, it ain't you,
it's only us, it's us right now.
You're findin it, take it, take it in it's all a hit.
You and me, no-one else, nothing else but us right now.
And I ain't need nothing else, no-one else but you and I.
And it ain't me, it ain't you, it's only us, it's us right now.

You and me, no-one else,
nothing else but us right here.
You and I, no-one else,
nothin else but you and I. Hard to find the words to tell oh-oo-oh
The story of you and I...oh yeah
Oh there's nothing left just you and I,
no-one else, nothing else but you and I.
Ain't nobody else
You and I, no-one else,
nothing else but you and I (you and I)
To me ain't nothing else
Yeah nobody else
You and I, no-one else,
nothing else but you... (you and I)
