

Prison Song

System Of A Down

They're trying to build a prison
They're trying to build a prison Following the rights movement
You clamped on with your iron fists
Drugs became conveniently
Available for all the kids Following the rights movement
You clamped on with your iron fists
Drugs became conveniently
Available for all the kids I buy my crack, my smack, my bitch right here in Hollywood
(nearly 2 million Americans are incarcerated in the prison system, prison system of the US)
(They're trying to build a prison)
They're trying to build a prison
They're trying to build a prison
They're trying to build a prison
(for you and me to live in)
Another prison system
Another prison system
Another prison system
(for you and me) Minor drug offenders fill your prisons you don't even flinch
All our taxes paying for your wars against the new non-rich
Minor drug offenders fill your prisons you don't even flinch
All our taxes paying for your wars against the new non-rich I buy my crack, my smack, my
bitch right here in Hollywood
(the percentage of Americans in the prison system, prison system, has doubled since 1985)
(They're trying to build a prison)
They're trying to build a prison
They're trying to build a prison
They're trying to build a prison
(for you and me to live in)
Another prison system
Another prison system
Another prison system
For you and I, for you and I, for you and I. They're trying to build a prison
They're trying to build a prison
They're trying to build a prison for you and me Oh, baby, you and me. All research and
successful drug policy show that treatment should be increased
And law enforcement decreased while abolishing mandatory minimum sentences
All research and successful drug policy show that treatment should be increased
And law enforcement decreased while abolishing mandatory minimum sentences Utilising
drugs to pay for secret wars around the world
Drugs are now your global policy, now you police the globe I buy my crack, my smack, my
bitch right here in Hollywood
Drug money is used to rig elections and train brutal corporate sponsored dictators around the

world
(They're trying to build a prison) They're trying to build a prison
They're trying to build a prison
They're trying to build a prison
(for you and me to live in)
Another prison system
Another prison system
Another prison system
(for you and me) For you and I, for you and I, for you and I, for you and I They're trying to build
a prison
They're trying to build a prison
They're trying to build a prison for you and me Oh, baby, you and me
