

# Sleep Tonight

Tim McGraw

"Sleep Tonight" Hey darkness, don't you try to steal the moment  
Or close my eyes  
I won't let you in  
Cause this feels too damn good to me  
All I want and all I need  
Is her touch again and again and again I don't wanna go to sleep tonight  
I don't want anything to change  
I don't wanna wake up and find  
A different day  
Yeah she makes me free  
Here between the day and the twilight  
I don't want to go to sleep tonight  
Time, stop dead in your tracks  
Turn around and don't look back  
And just let us be  
I wanna take this time and soak it up  
Forever wouldn't be long enough  
If you knew her you'd agree and agree with me I don't wanna go to sleep tonight  
I don't want anything to change  
I don't wanna wake up and find  
A different day  
Yeah she makes me free  
Here between the day and the twilight  
I don't want to go  
I don't want to go to sleep tonight I wish the sun would just forget  
To come up  
And leave us wrapped up in this love  
I don't wanna go to sleep tonight  
I don't want anything to change  
I don't wanna wake up and find  
A different day  
Yeah she makes me free  
Here between the day and the twilight  
I don't want to go to sleep tonight
