

When You Say Nothing At All

[Alison Krauss & Union Station](#)

It's amazing how you can speak right to my heart
Without saying a word, you can light up the
dark

Try as I may I could never explain
What I hear when you don't say a thing

The smile on your face lets me know that you need me

There's a truth in your eyes saying you'll never leave me

The touch of your hand says you'll catch me if ever I fall
You say it best, when you say nothing
at all

All day long I can hear people talking out loud

But when you hold me near, you drown out the crowd

Old Mr. Webster could never define
What's being said between your heart and mine

The smile on your face lets me know that you need me

There's a truth in your eyes saying you'll never leave me

The touch of your hand says you'll catch me if ever I fall

You say it best, when you say nothing at all

The smile on your face lets me know that you need me

There's a truth in your eyes saying you'll never leave me

The touch of your hand says you'll catch me if ever I fall

You say it best, when you say nothing at all
