

# Better Off (Dying)

Lil Peep

Chains on shining, you can see me riding  
Cocaine lined up, secrets that I'm hiding  
You don't wanna find out, better off lying  
You don't wanna cry now, better off dying  
Chains on shining, you can see me riding  
Cocaine lined up, secrets that I'm hiding  
You don't wanna find out, better off lying  
You don't wanna cry now, better off dying  
Baby, I'ma dive in, I don't put the time in  
Even if I try hard, I ain't gonna make it  
We ain't gonna make it, we ain't gonna make it  
Baby i'm dive in, I don't put the time in  
Even if I try hard, I ain't gonna make it  
We ain't gonna make it, we ain't gonna make it  
I ain't gonna make it  
But I love it when you fake, yeah  
I got her little heart in my hand  
And I don't wanna break it  
I ain't gonna make it  
But I love it when you fake, yeah  
I got her little heart in my hand  
And I don't wanna break it  
Chains on shining, you can see me riding  
Cocaine lined up, secrets that i'm hiding  
You don't wanna find out, better off lying  
You don't wanna cry now, better off dying  
Chains on shining, you can see me riding  
Cocaine lined up, secrets that I'm hiding  
You don't wanna find out, better off lying  
You don't wanna cry now, better off dying  
Baby, I'ma dive in, I don't put the time in  
Even if I try hard, I ain't gonna make it  
We ain't gonna make it, we ain't gonna make it  
I ain't gonna make it  
But I love it when you fake, yeah  
I got her little heart in my hand  
And I don't wanna break it
