

# Is That Clear

Nick Waterhouse

Oh, I'll tell you somethin' now baby you should know  
I'll say it once, twice, I'll say it nice and slow yeah  
Now listen up and listen real close baby  
words in my mouth that matter the most I won't (is that clear)  
Yeah, I want it clear (is that clear)  
Yeah, I want it clear (is that clear)  
Yeah, I want it clear! (is that clear) Oh! Give me a page and give me a pen  
I'll write it once twice I'm gonna write it again yeah  
I tried so hard to get through to you  
Bet you know baby just what I wanna do yeah  
I won't (is that clear)  
Yeah, I want it clear (is that clear)  
Yeah, I want it clear (is that clear)  
Yeah, I want it clear! (is that clear)  
(is that clear, is that clear, is that clear, is that clear?)
