

# Other People

## Beach House

So you thought it would happen  
good day, goodbye  
I know where no one can reach you  
no I don't mind  
It's your word why would you fake it  
these days go by  
as you turn around ow-ow-ow...Other people want to keep in touch  
something happens and it's not enough  
never thought that it would mean so much  
other people want to keep in touch.  
Heaven won't keep us together  
right place at the wrong time  
It takes all kinds of weather  
distant new skies  
Somewhere no one can reach us  
these days go by  
as you turn around ow-ow-ow...  
Other people want to keep in touch  
something happens and it's not enough  
never thought that it would mean so much  
other people want to keep in touch.Was it ever quite enough...
