Blackstreet

[Intro]
Clap, clap, clap, clap
If you need a fix
(Yeah, if you need a fix baby, I got it)
And you say Blackstreet, and you say
(I wanna give it to you)
And, clap your hands, just clap your hands
(I wanna go on and on)
Just clap your hands, just clap
(And give you more) Oh, sugar girl, you sexy thing
I like the way you swing
Always wanna be your lover
I always wanna be your lover
You can call me
If you need a fix or two
Girl, you know how we do
Try to get with you You can hit me on the phone
Dial my number, I'll be waiting
When I see you, we'll be anticipating
All I wanna do is drive you crazy girl
If we can phone, baby let's go
See me tonight If you need a fix
(Let me be the one you can call on)
If you want a fix
(And I can give you what you need)
