

# Melody Calling

## The Vaccines

Oh I,  
How can I go on with it much further?  
I didn't think that it would go any further,  
But now it has and it's making me nervous, A wonderful motion,  
That is turning in your every motion,  
Oh I,  
I think I might be losing my mind  
Because  
When I hear a melody calling,  
Is your melody calling?  
Isn't anyone calling? Oh I,  
I just did an undeniable order,  
I hear it moving under the border,  
Cussing the ocean,  
And calling in your every motion  
I think I might be losing my mind,  
When I hear a melody calling,  
Is your melody calling?  
Isn't anyone calling? When I hear a melody calling,  
Is your melody calling?  
Isn't anyone calling?
