

# Everything Changes (Live At Hiro Ballroom)

## Staind

If you just walked away  
What could I really say  
Would it matter anyway  
Would it change how you feel I am the mess you chose  
The closet you cannot close  
The devil in you I suppose  
'Cause the wounds never heal But everything changes  
If I could, turn back the years  
If you could, learn to forgive me  
Then I could learn to feel  
Sometimes the things I say  
In moments of disarray  
Succumbing to the games we play  
To make sure that it's real But everything changes  
If I could, turn back the years  
If you could, learn to forgive me  
Then I could learn to feel When it's just me and you  
Who knows what we could do  
If we can just make it through  
The toughest part of the day  
But everything changes  
If I could, turn back the years  
If you could, learn to forgive me  
Then I could, learn how to feel  
Then we could, stay here together  
And we could, conquer the world  
If we could, say that forever  
Is more than just a word  
If you just walked away  
What could I really say  
And would it matter anyway  
It wouldn't change how you feel
