

# The Freedom Song

Jason Mraz

I picture something is beautiful  
It's full of life and it is all blue  
I've seen the sunset on the beach, yeah  
It makes me feel calm, when I'm calm I feel good (Good)  
And when I feel good I sing (Sing)  
And the joy it brings makes me feel good (Good)  
And when I feel good I sing (Sing)  
And the joy it brings I see birds fly across the sky, yeah  
And everyone's heart flies together  
Food is frying and people smiling  
Like there is no other way...  
To feel good (Good)  
And when I feel good I sing (Sing)  
And the joy it brings makes me feel good (Good)  
And when I feel good I sing (Sing)  
And the joy it brings Come on along, I know you really want to feel our song  
We've got some life to bring  
We've got some joy in this thing  
I say Come on along, I know you really want to feel our song  
We've got some life to bring  
We've got some joy in this thing  
Come on along  
I know you really want to feel our song We've got some life to bring  
We've got some joy in this thing  
Come on along, I know you really want to feel our song  
We've got some life to bring  
We've got some joy in this thing  
Can you feel, can you feel  
Can you feel the joy that it brings  
If you can feel the joy  
Then you should let yourself sing  
Hey  
I love to share my things  
Cause it brings me freedom (Freedom), woah  
Gotta get yourself to that freedom  
Smiling and feeling your heart beat  
Freedom! Woah! You deserve your freedom  
Dancing and feeling that beauty  
Freedom! Woah! Well it's all for you, all for you  
All for you, all for you  
Sing freedom! Woah! Gotta getcha some of that  
Gotta getcha some of that

Gotta getcha some of that freedom!
