All I wanna, do is, stroke ya all crazy

Catch Hov' in the drop, nasty thang lane switchin
Once you turn your neck for a sec your dame's missin

Got that rap patrol behind yo, get to runnin
I'm unstoppable Hov', untoppable flows
I'm the compadre, the Sinatra of my day
Ol' Blue Eyes my nigga, I did it my way
If y'all not rollin with Hov' then hit the highway

[Chorus] *

(Hola' hovito!) Yeah, yeah (Hola' hovito!)

Put it down for my PEO-PLE!
(Hola' hovito! Hola' hovito!)
Yeah that's what they sayin when that music get to bangin
Put it down for my PEO-PLE! * an extra "yeah" before the 5th line first time, 2nd line second,
and the 5th line the third time [Jay-Z]

Yeah, yeah, yeah

Yeah naw I don't fuck around, stay on my J.O.
Hov' been about that dough since I was a day old
Oh, push perrico if I need to for the rule of evil
Was born in the belly that's the way the streets breed you
One life to live - notice you get no sequel
So I truly got to live this like my last movie
Six oohie, jewels drippin, big toolie
I ball for real, y'all niggaz is Sam Bowie
And with the third pick - I made the earth sick
M.J., hem Jay, fade away perfect
I rhyme sicker than every rhyme spitter

Every crime nigga that rhyme or touch a mic because my mind's quicker
I'm a eighty-eighter, nine-six to "Reasonable Doubt"
Temper short, don't take much to squeeze you out
Yeah you shinin but the only thing you're leavin out
You're a candle in the sun - that shit don't even out

[Chorus][Jay-Z]

Hold up; naw muh'fuckers - y'all muh'fuckers
better run to the post office and get a job muh'fuckers
or starve muh'fuckers, cause Jay's been the only one
eatin thus far sub-par muh'fuckers
Naw even though y'all hate I love y'all muh'fuckers
"Friend or Foe," y'all all my muh'fuckers
If you haven't heard, I'm Michael Magic and Bird
all rolled in one - cause none got more flows than Young
Plus got more flows to come
And if I ain't better than Big, I'm the closest one
So move over - hoes, choose Hova
My food for though so hot it give you dudes ulcers
Rovers, roasters, poseurs
gettin it in with me, livin like they supposed tah
Watches, chain, front row at the game
Sold out arena, all screamin my name, c'mon[Chorus]
