

# Braveheart

## Neon Jungle

I'm on that late night come and get  
I'm on that ripped jeans cigarette  
And the whole world stops, it's turning  
As the love fills up our lungs  
I'm on that club ground battle scars  
I'm on that 3am bizare  
And the whole world stops, it's turning  
As the love fills up our lungs These sweet dreams in motion  
Feelings take over  
Memories wide open  
Summer keeps calling  
Braveheart  
Show me what you got  
Gotta show me when the beat drops  
Braveheart  
Show me what you got  
Gotta show me when the beat drops Ichi, ni, san, kaesu Breathe me in I'll take you higher  
Eat me up like wild fire  
And the whole world stops, it's turning  
As the love fills up our lungs These sweet dreams in motion  
Feelings take over  
Memories wide open  
Summer keeps calling  
Braveheart  
Show me what you got  
Gotta show me when the beat drops  
Braveheart  
Show me what you got  
Gotta show me when the beat drops Show me what you got  
Show me, show me  
Show me what you got  
Show me, show me Talkin' bout fresh  
We talkin' bout lettuce  
All the things  
That the lifestyle get us  
Stacking cheddar  
Chopping feta  
If you see my ex  
Tell the bitch  
Don't sweat us  
How many girls you know Rock lettuce like this  
LV on my back

Chanel on my wrist  
Js on my feet  
What's a bouji, bitch?  
Hipster chick I ain't with that shit  
Stone cold rosetta  
OG go-getter  
Kick game at me  
Do you one better  
If your girl wanna roll  
I just might let her  
These sweet dreams in motion  
Feelings take over  
Memories wide open  
Summer keeps calling  
Braveheart  
Show me what you got  
Gotta show me when the beat drops  
Braveheart  
Show me what you got  
Gotta show me when the beat drops  
Ichi, ni, san, kaesu
