

My Head's In Mississippi

ZZ Top

I'm shufflin' thru the Texas sand,
but my head's in Mississippi.
I'm shufflin' thru the Texas sand,
but my head's in Mississippi.
The blues has got a hold of me.
I believe I'm gettin' dizzy. (Spoken: Help me now.) I keep thinkin' 'bout that night in Memphis,
Lord, I thought I was in Heaven.
I keep thinkin' 'bout that night in Memphis,
I thought I was in Heaven.
But I was stumblin' thru the parking lot
of an invisible seven eleven. (Spoken: What was I doin out there?) Last night I saw a cowgirl.
She was floatin' across the ceiling.
And last night I saw a naked cowgirl.
She was floatin' across the ceiling.
She was mumblin to some howlin' wolf
about some voodoo healin'. (Spoken: Mmm Baby.)
Where's my head baby?
Somewhere in Mississippi.
