

Warning Sign

Coldplay

A warning sign
I missed the good part then I realized
I started looking and the bubble burst I started looking for excuses
Come on in, I've gotta tell you what a state I'm in
I've gotta tell you in my loudest tones That I started looking for a warning sign
When the truth is
I miss you
Yeah the truth is
That I miss you so
A warning sign You came back to haunt me and I realized
That you were an island and I passed you by
And you were an island to discover Come on in, I've gotta tell you what a state I'm in
I've gotta tell you in my loudest tones
That I started looking for a warning sign
When the truth is
I miss you
Yeah the truth is
That I miss you so
And I'm tired
I should not have let you go
So I crawl back into your open arms
Yes I crawl back into your open arms
And I crawl back into your open arms
Yes I crawl back into your open arms
