

# You Can Do Magic

## America

I never believed in things that I couldn't see  
I said if I can't feel it then how can it be  
No, no magic could happen to me  
And then I saw you I couldn't believe it, you took my heart  
I couldn't retrieve it, said to myself  
What's it all about  
Now I know there can be no doubt You can do magic  
You can have anything that you desire  
Magic, and you know  
You're the one who can put out the fire You know darn well  
When you cast your spell you will get your way  
When you hypnotize with your eyes  
A heart of stone can turn to clay  
And when the rain is beatin' upon the window pane  
And when the night, it gets so cold, when I can't sleep  
Again you come to me  
I hold you tight, the rain disappears  
Who would believe it  
With a word you dry my tears You can do magic  
You can have anything that you desire  
Magic, and you know  
You're the one who can put out the fire You know darn well  
When you cast your spell you will get your way  
When you hypnotize with your eyes  
A heart of stone can turn to clay And if I wanted to  
I could never be free  
I never believed it was so true  
But now it's so clear to me  
You can do magic  
You can have anything that you desire  
Magic, and you know  
You're the one who can put out the fire You know darn well  
When you cast your spell you will get your way  
When you hypnotize with your eyes  
A heart of stone can turn to clay
