Ohhhhh come on Mami  
Its R Time - Dont be shy, grab a guy and  
Goooo

Move your body  
Show em how it goes down when your Latinooo  
Come on Mami

Its R Time - Dont be shy, grab a guy and  
Goooo

Show em how it goes down  
De ti nunca yo me olvidare  
Ni de la forma que tu te mueves  
Este reggaeton quiero bailario con usted  
Me vuelve loco como ella se mueve  
My time to step up in this world

This reggaeton wit Jeannie

La candela let it burn

So you could jump on this

Or you could stay wit that

But if you didnt know by now

Right here is where its at

So haters step aside

And watch how we gon ride

Ay bendito Im sorry that you tired

But Im a do my thing

Im gonna cross the line

'cause we gon start this party

And we gonna get it right

Ooooh

Ooh

You see N.O.R.E. got part of the track so scream epal

You lookin right in the crib and eat chuleta

But shes 100% puertorriquena

Representado represent puertorriquena

Si te cojo te mojo N.O.R.E. el pollo loco

Crazy chickens busta tre-ocho

Ahora aqui Mami I swear  
Jeannie Ortega riding wit Noriega pause

And when you bop your head to my flow  
This shits so crazy you gon want more

I keep it real wit you Im not a diva  
So shake you ass to this all night  
No te preocupes que llevo tu flaco  
Esta noche quiero agarrate  
Para darte lo que quiera  
A mi me encanta coma bailas  
La cintura como la mueves  
De un diez le dio un nueve  
A ella le encanta mi tigueraje  
Y el tumbao que traje  
Mami dame de eso un chingo  
Contigo llgo hasta el fin  
Aterrizamos en san juan en un bote pa Quieesqueya  
Lo parqueamos por la playa  
Con la toalla en la arena  
Lena a le candela
