

LEAH

6ix9ine & Akon

[Akon:]

Akon

Yeah, yeah, yeah, yeah, yeah, oh
Yeah, yeah, yeah, yeah, yeah, oh
Ooh-ohBaby, you you're all that I want

When I pour Patrón in your cup

The vibe is feeling so raw

I just wanna take you home

Baby, you you're all that I want

When I pour Patrón in my cup

The vibe is feeling so raw

I just wanna take you home

Baby, you look better with your clothes off

Baby, you look better with your clothes off

Niggas keep telling you to pull up

Vibrate on, turn your phone off

Vibrate on, turn your phone off

Baby, you look better with your clothes off

You look better with your clothes off[6ix9ine:]

She wanna take ecstasy pills

She wanna take ecstasy pills

She wanna have sex with me, for real

She wanna have sex with me, for real

I know you gotta work tonight

I promise, baby, I'll be worth your time

Fingers crossed that I am your type

What am I saying, bitch, my bread is right

I could treat you right, I could change your life

I could put you in the Wraith with the stars inside

Let's take a shot tonight, I could change your life

Baby, you the type of girl that my mom would like, oh yeah

[Akon:]

Baby, you you're all that I want

When I pour Patrón in your cup

The vibe is feeling so raw

I just wanna take you home

Baby, you you're all that I want

When I pour Patrón in my cup

The vibe is feeling so raw

I just wanna take you home[6ix9ine:]

Ooh-oh, ooh-oh

Ooh-oh, ooh-oh

She wanna make a movie-ie
Wanna end up on the TV screen
Mixin' Henny with the ecstasy
Don't wanna end up on TMZ[Akon:]
Baby, you you're all that I want
When I pour Patrón in your cup
The vibe is feeling so raw
I just wanna take you home
Baby, you you're all that I want
When I pour Patrón in my cup
The vibe is feeling so raw
I just wanna take you homeBaby, you look better with your clothes off
Baby, you look better with your clothes off
Niggas keep telling you to pull up
Vibrate on, turn your phone off
Vibrate on, turn your phone off
Baby, you look better with your clothes off
You look better with your clothes off
