

# Hundred Miles (feat. Gabriela Richardson)

## Yall

Come here and visit my world  
Come here and visit my world  
did the street shining stars  
our love is the only way  
don't get lost cause I'm waiting  
summer feelings are waiting, boy You and me is more than hundred miles  
you and me is more than the grey sky  
you and me is more than lonely days  
it's our time to go  
dance with me, one more time You and me is more than hundred miles  
you and me is more than the grey sky  
you and me is more than lonely days  
it's our time to go, dance with me  
one more time  
Come here and visit my world  
did the street shining stars  
our love is the only way  
don't get lost cause I am waiting  
summer feeling are waiting, boy You and me is more than hundred miles  
you and me is more than the grey sky  
you and me is more than lonely days  
it's our time to go Da-da dance with me one more time Dance with me one more time You and  
me is more than lonely days  
it's our time to go  
da-da dance with me one more time  
You and me is more than hundred miles  
you and me is more than the grey sky  
you and me is more than tha-tha  
it's our time to go  
dance with me one more time
