Lost in Love

Air Supply

I realize the best part of love is the thinnest slice and you don't care for much but I'm not letting go

i believe there's still much to believe inSo lift your eyes if you feel you can reach for a star and I'll show you a plan

I've figured it out what I needed was someone to show meYou know you can't fool me

I've been lovin you too long

It started so easy, You'll want to carry on

(carry on)

Lost in love and I don't know much cos I'm thinkin aloud and I fell out of touch

but I'm back on my feet and eager to be what you wantedSo lift your eyes if you feel you can reach for a star and I'll show you a plan

I've figured it out what I needed was someone to show meYou know you can't fool me

I've been lovin you too long

It started so easy, You'll want to carry on

(carry on)Lost in love and I don't know much

cos I'm thinkin aloud and I fell out of touch

but I'm back on my feet and eager to be what you wanted

You know you can't fool me

I've been lovin you too long

It started so easy, You'll want to carry on

(carry on)

Lost in love and I don't know much

cos I'm thinkin aloud and I fell out of touch

but I'm back on my feet and eager to be what you wanted

Now I'm lost

Lost in love

Lost in love

Lost in love
