

# If I Believe You

## The 1975

I've got a God shaped hole that's infected  
And I'm petrified of being alone now  
It's pathetic, I know And I tossed and I turn in my bed  
It's just like I Lost my head (Lost my head) And if I believe you  
Will that make it stop?  
If I told you I need you  
Is that what you want?  
And I'm broken and bleeding  
And begging for help  
And I'm asking you Jesus, show yourself  
I thought I'd met you once or twice  
But that was just because the dabs were nice and opening up my mind  
Showing me consciousness is primary in the universe  
And I had a revelation  
I'll be your child if you insist  
I mean if it was you that made my body  
You probably shouldn't have made me atheist  
But, oh, I'm a lesbian kiss  
I'm an evangelist  
And if you don't want to go to hell then Miss, you better start selling this And if I believe you  
Will that make it stop?  
If I told you I need you  
Is that what you want?  
And I'm broken and bleeding  
And begging for help  
And I'm asking you Jesus, show yourself  
If I'm lost then how can I find myself?  
If I'm lost then how can I find myself?  
If I'm lost then how can I find myself?  
If I'm lost now then how can I find myself?  
If I'm lost now then how can I find myself?  
If I'm lost then how can I find myself?  
Then how can I find myself?  
If I'm lost now then how can I find myself?  
Yeah, yeah, yeah  
If I'm lost now then how can I find myself?  
Yeah, yeah
