No Promises

Shawn Mendes

Staring out my hotel window
Too much on my mind
Maybe we should keep it simple

We don't have to decideOh no we don't need to overcomplicate it Cause I've been here once before don't even say itBaby, please, no promises

Cause we won't keep our promises

And I know the consequences

So, baby, please

Baby, please, no promises

I've never been a fan of heartbreak

So tell me what you want

Take my hands across your body

We don't have to hold onOh no we don't need to overcomplicate it Cause I've been here once before don't even say itBaby, please, no promises

Cause we won't keep our promises

And I know the consequences

So, baby, please

Baby please no promisesCause I've been living only for this moment

And I don't want to let it slip away

I've been living only for this moment

And I don't know how much that I can take, yeah

Baby, please, no promises

Cause we won't keep our promises

And I know the consequences

So, baby, please

Baby please no promises

Yeah, baby, please no promises, yeah

Oh, baby, please no promises

Baby, please

Baby, please no promises
