

Hot Summer Nights

Miami Sound Machine

In the time before the twilight settles on the world
 Woah, you can feel the magic
 Dreaming of someone to hold tight
 One more lonely girl
Woah, dances in her attic Everywhere across the land
In front of their mirrors with combs in their hands
 They prepare to make a stand
 Lover to lover, woman to man
 (living for the ...)Chorus
Small town hot summer nights
 Radio 'bout to blow
 Top down under the lights
 Feel the heat, wild and sweet
 Hot Summer Nights
 Riding solo in his front seat
 Bursting at the seams
 Woah, driving by desire
Home town hero haunts the main street
 Dreaming desperate dreams
Woah, where theres smoke theres fire And some believes that love is won
 And some of them go like they're under the gun
 In between whats already done
And the promise they feel in the evening to come
 (Out for the ...)Chorus Oh' oh hot summer nights
 Oh' oh hot summer nights
 In the end two hearts will meet
 And maybe they'll find whatever they seek
 If they can, they'll learn how to keep
The faith that they found in the sound of the beat
 (Out for those ...)Chorus
