

# Put Your Lights On (feat. Everlast)

## Santana

Hey now, all you sinners  
Put your lights on  
Put your lights on  
Hey now, all you lovers Put your lights on  
Put your lights on  
Hey now, all you killers  
Put your lights on Put your lights on  
Hey now, all you children  
Leave your lights on you better  
Leave your lights on  
Because there's an monster living  
Under my bed  
Whispering in my car  
There's an angel with a hand on my head  
She says I've got Nothing to fear  
There's a darkness deep In my soul  
I still got a purpose to serve  
So let your light shine  
Deep Into my home God don't let me lose my  
Nerve  
Lose my nerve  
Hey now, Hey now  
Hey now, Hey now  
Wo-oh Hey now, Hey now  
Hey now, Hey now  
Hey now all you sinners  
Put your lights on  
Put your lights on  
Hey now, all you children  
Leave your lights on you  
Better leave your lights on  
Because there's an monster living  
Under my bed  
Whispering in my car  
There's an angel with a hand on my head  
She says I've got  
Nothing to fear  
She says, whoooo-ahha hey  
La la, you shine like stars  
Whoo-aohaha hey la la  
You shine like stars  
And fade away
