

# With Bells On

## Dolly Parton & Kenny Rogers

I'll be home with bells on, I'll be home with bells on  
Trim the tree and wrap the presents, turn the Christmas music on  
This Christmas I'll be home with bells on. I've traveled around this country crossed the waters  
deep and wide  
Made lots of friends and memories brought joy to other's lives  
It's Christmas time again another year has come and gone  
And I can't keep from wonderin' how the old folks are at home. 'Cause I'll be home with bells  
on, I'll be home with bells on  
Trim the tree and wrap the presents turn the Christmas music on  
This Christmas I'll be home with bells on.  
--- Instrumental --- When the snow is on the meadow and the sleigh bells jingle bright  
And the kids are singing jingle bells around the Christmas lights  
As daddy stokes the fire and mama puts the turkey on  
There ain't nothing going to slow me down this Christmas I'll be home.  
Yeah, I'll be home with bells on, I'll be home with bells on  
Trim the tree and wrap the presents turn the Christmas music on  
This Christmas I'll be home with bells on. Yeah, I'll be home with bells on, I'll be home with  
bells on  
Trim the tree and wrap the presents turn the Christmas music on  
This Christmas I'll be home with bells on...
