there's something crazy I'm feelin
and I don't even know what I can do about it
it keeps me up in the evenin
and I just can't clear my head.of youBaby I don't know what it is. thats tellin me
that nothing could be more than lovin you
I try to get my thoughts and my feelings together
but no matter how I try to find it, brings me back to you
(in the morning) I think of you
(day and night) baby I think of you
(everyday) I think of you
(and every other day) ooh, I can too
(when it rains) I think of you
(when I cry) baby I think of you
I don't understand what makes me think of you
