

Don't Let Go (feat. Mikky Ekko)

Giorgio Moroder

There's a fire, there's a fire, there's a fire and I'm wild
And it yearns and it rolls like a tide, sweet undertow
And we burn, and we burn, and we burn to the ground
Every bridge, every road, that we'd found
We've no way home I feel the pressure coming down on me

The only question:

Can there be harmony without a lesson?

Without losing control?

Don't let go, it's time for us to finally see

We can't stop 'til our minds are free

There, we're hangin' by a thread of hope

Don't let go, my sisters and my brothers weep

Don't have to read the signs to see

That blood on the leaves that you sat on

Don't let go There's a cage, there's a cage, there's a cage with no key

Like a stranger who's locked in a dream with no way out, hm

So we wait, and we wait, and we wait for so long

We forget that we severed a song

We used to sing I feel the pressure coming down on me

The only question:

Can there be harmony without a lesson?

Without losing control?

Don't let go, it's time for us to finally see

We can't stop 'til our minds are free

There, we're hangin' by a thread of hope

Don't let go, my sisters and my brothers weep

Don't have to read the signs to see

That blood on the leaves that you sat on

Don't let go

Don't let go, it's time for us to finally see

We can't stop 'til our minds are free

There, we're hangin' by a thread of hope

Don't let go, my sisters and my brothers weep

Don't have to read the signs to see

That blood on the leaves that you sat on

Don't let go
