

2nd Round

Usher

Intro:

Just touched down in town again
You think about me now and then
Been missing my lover friend
Let's say we have a 2nd round again

Verse 1:

Girl it's been a while
So I thought I hit you up
You never love for mine
Let's pick it up were we left off
The last time I loved you firstly .baaaby
So let me feel you up
Just been a minute
I know you miss the way... we... touch
You can think about it and want it too.
The thought come across you inches
Gonna steal your plate for the 2nd round

Chorus:

Girl I'm in your town, come over
Girl don't let me down, I won't be here for long
Show you good a time, lovin. you.will remember
Girl you give your best respect unless. girl

Verse 2:

Said you wouldn't but you did it, oh girl
I can tell you don't regret it 'cause you ain't been touch like this
Since the last time
(the feeling that I get... Every time we can dance), oh baby
Imma ok.oh. let em out... but I'll be back around
(baby you can think around)... If you want to
(but I gotta be out) . Has to be out
(but when i come back). Be ready for a second round

Chorus:

Girl I'm in your town, come over
Girl don't let me down, I won't be here for long
Show you good a time, lovin. you.will remember
Girl you give your best respect unless. girl

Outro:

Just touched down in town again
You think about me now and then
Been missing my lover friend
Let's say we have a 2nd round again

Chorus:

Girl I'm in your town, come over
Girl don't let me down, I won't be here for long
Show you good a time, lovin. you.will remember
Girl you give your best respect unless. girl
