

# Believe

## Justin Bieber

I don't know how i got here I knew it wouldn't be easy  
But your faith in me was so clear  
It didn't matter how many times i got knocked on the floor  
But you knew one day i would be standing tall  
Just look at me now Cause everything starts from something  
But something would be nothing  
Nothing if your heart didn't dream with me  
Where would i be, if you didn't believe  
Believe...

There were days when out you spoken, you know  
There were nights when i was doubting myself  
But your kept my heart from falling  
It didn't matter how many times i got knocked on the floor  
But you knew one day i would be standing tall  
Just look at us now  
Cause everything starts from something  
But something would be nothing  
Nothing if your heart didn't dream with me  
Where would i be, if you didn't believe  
Where would i be, if you, if you didn't believe  
Would you know, how i feel touch the sky, if you didn't believe  
Believe, believe

It didn't matter how many times i got knocked on the floor  
You knew one day i would be standing tall  
Just look at us now  
Cause everything starts from something  
But something would be nothing  
Nothing if your heart didn't dream with me  
Cause everything starts from something  
But something would be nothing  
Nothing if your heart didn't dream with me  
Where would i be, if you didn't believe, yeah  
Where would i be, if you, if you didn't believe  
Would you know, how i feel touch the sky, if you didn't believe  
Where would i be, if you didn't believe
