

# As We Lay

Kelly Price

Whoa, it's morning  
and we slept the night away  
it happened  
now we can't turn back the hands of time, no, no  
yes we've stolen this moment  
we forgot to face one simple fact  
we both belong to someone else  
as we slept the night away  
it's morning  
sunlight shines across your sleeping face, oh  
a new day  
brings reality and we both go our separate ways  
what a lovely night we had yeah, yeah  
as we shared each other's love  
we forgot about all the pain we caused  
as we slept the night away  
as we lay  
we forgot about tomorrow  
as we lay  
ooh hey, hey  
as we lay  
didn't think about  
the price we'd have to pay  
no, no, no  
it's morning  
and now it's time for us to say goodbye  
goodbye baby  
you're leaving me  
i know you've got to hurry home to face your wife, wife  
i would never want to hurt her, no, no, no  
she would never understand  
you belong to me for just one night  
as we slept the night away  
ooh oh, whoa  
i would never, never want to hurt her, no, no, no  
she would never understand  
you belong to me for just one night  
as we slept the night away  
as we lay  
we forgot about tomorrow  
as we lay  
ooh hey, hey

as we lay  
didn't think about  
the price we'd have to pay  
no, no, no  
we should have counted up the cost  
but instead we got lost  
in the second, in the minute  
in the hour, hey, hey, hey  
as we lay  
we forgot about tomorrow  
as we lay  
oh no, oh no, no  
my love why can't you see  
how loving you is killing me  
i can't think of no one else  
baby, baby i can't take it no more  
you see i can't be in your life  
you gotta go home to you wife  
oh it's morning
