

Say My Name

David Guetta, Bebe Rexha & J Balvin

You've been dressing up the truth
I've been dressing up for you
Then you leave me in this room, this room
Pour a glass and bite my tongue
You say I'm the only one
If it's true, then why you running, you running? Oh-woah-oah
If you're really being honest
If you really want this (oh-woah-oah)
Why you acting like a stranger
What's with your behavior?
Oh-woah-oah
Say my name, say my name
If you love me, let me hear you
Say my name, say my name
I am dying to believe you
I feel alone in your arms
I feel you breaking my heart
Say my name, say my name
If you love me, let me hear you Let me hear you I got darkness in my head
Don't believe a word you said
Still I let you in my bed, my bed (yeah)
Got too many different sides
Got designer in your eyes
Something has to change tonight, tonight, tonight
Oh-woah-oah
If you're really being honest
If you really want this (oh-woah-oah)
Why you acting like a stranger
What's with your behavior?
Oh-woah-oah Say my name, say my name
If you love me, let me hear you
Say my name, say my name
I am dying to believe you
I feel alone in your arms
I feel you breaking my heart
Say my name, say my name
If you love me, let me hear you Yeah, yeah
Let me hear you
Yeah, woo, woo, woo
Let me hear you
Eres candela
Let me hear you

Pa' mi única nena(J Balvin, men, leggo, come on)
Escucha como digo tu nombre
Desde Medellín hasta Londres
Cuando te llamo, la maldad responde
No pregunta cuándo, sólo dónde
Te dejas llevar, de lo prohibido eres adicta
Una adicción que sabes controlar
Y te dejas llevar, lo más caliente en la pista
Todo lo que tienes de muestra, ¿pa' qué lo dan?
Mordiendo mis labios verás
Que nadie más está en mi camino
Nada tiene por qué importar
Déjalo atrás, estás conmigoMordiendo mis labios verás
Que nadie más está en mi camino
Nada tiene por qué importar
Déjalo atrás, estás conmigoSay my name, say my name
If you love me, let me hear you
Say my name, say my name
I am dying to believe you
I feel alone in your arms
I feel you breaking my heart
Say my name, say my name
If you love me, let me hear you
