

Happy Man

Seasick Steve

Oh this life has knocked me down to my knees
And I think it's time I get
a little bit of that promised land (And if you, just put your arms around me
I believe I can make you a happy man) Woah Happy Man,
Yeah Happy Man
And for a little little while
I will be a Happy Man I aint asking for much
Just your sweet touch
and for a little little while
I'll be happy and such Well Sure
Na-na-na-na-na-na-na-na-na I'll be happy and such Well I think it's my turn
Well I think I've Earned
I've got the scars to show
I've got the fires that burn So have a little little mercy
Do what you can
and for a little little while
I will be a happy man Well Sure Na-na-na-na-na-na-na-na I will be a happy man Just a happy man
Just a happy man
for a little little while
I will be a happy man
Just a happy man
Just a happy man
for a little little while
I will be a happy man Yes a Happy man
Yes a happy man
and for a little little while
I will be a happy man
and for a little little while
I will be a happy man
Yeah for a little little while
I-I will be, woooaahhh a happy man now what you think about that?
