took me from a boy to a man give it all back  
only just to see us come up ya'll the same  
niggas that use to watch the laws run up  
now we concentration on tryna be grown men  
watchin the earth turn feelin the world spin  
its a mad psalm-tryna do it on your own  
one day you here and the next day gone  
the sky waits for no one I know you heard that  
everything is mad when your broke plus black  
I'm dedicated unto my lord I pray cant see the  
future livin day one day I'm workin heard  
tryna platinum charts in the ghetto my hood  
I've touched a million hearts c'mon!

(Chorus: Billy Cook + Lil'Keke rp.2x)

I know keep my head up everywhere

promise you nothin its a circumstance that we

all go through some things is fake nigga somethings  
 true I reconize that I've been down forever  
 time to pull the family up and try to do it together  
 I got no where to run and no where to hide  
 my false is my worst so I'm stuck with pride  
 cause the women and the cars it dont equal the wealth  
 so I'm all about my cash tryna impress myself  
 cause the man make the money-money dont make the man  
 if you feel what I'm sayin then raise your right hand!(Chorus: Billy Cook + Lil'Keke)  
 livin my dreams, cause its all

 so I'ma take it back then I'ma bring it up
