## Thinking 'Bout You

## **Dua Lipa**

3 A.M. and my neighbors hate me Music blasting, shaking these walls

This time Mary Jane won't save me

I've been working later, I've been drinking stronger

I've been smoking deeper but the memories won't stopI can't stop thinking 'bout you

I can't stop thinking 'bout you

I can't get high, I can't get by, I can't get through

I can't stop thinking 'bout you

Like poison coursing through me

So clear my vision is blurred

The haze won't put my mind at ease

I've been sleeping later, I've been breathing stronger

I've been digging deeper but the memories won't stopI can't stop thinking 'bout you

I can't stop thinking 'bout you

I can't get high, I can't get by, I can't get through

I can't stop thinking 'bout youI want you all

Say it before you run out of time

I want you all

Say it before it's too late

I want you all

Say what I am feeling now

I want you all

Waiting is insane

I can't stop thinking 'bout you

I can't stop thinking 'bout you

I can't get high, I can't get by, I can't get through

I can't stop thinking 'bout youI can't stop thinking 'bout you

I can't get high, I can't get by, I can't get through

I can't stop thinking 'bout you
