

# Spoons

## Rudimental

This is when I lose my balance  
This is when I lose all control  
This is when I find the challenge  
The challenge I can call my ownIt's hard to fight a battle  
When all my weapons are so far  
Out of reach and balance  
And I forget who you are(Pre-)  
I think I'm about to fall  
I think I'm about to fall  
I think I'm about to fall  
Deeper and deeper, whoa  
Deeper and deeper, whoa  
Deeper and deeper, whoa  
Deeper and deeper, whoa  
Deeper and deeper, whoa  
Deeper and deeper, whoa  
Deeper and deeper, whoa  
Deeper and deeper, whoa  
Deeper and deeper, whoaThis is where I find my balance  
This is the way I gain all control  
Now that I can leave my challenge  
The challenge I don't need no moreIt's hard to fight a battle  
When I've been stretched out way too far  
Out of reach and balance  
Now I regret who you are  
(Pre-)  
I think I'm about to fall  
I think I'm about to fall  
I think I'm about to fallDeeper and deeper, whoa  
Deeper and deeper, whoa  
Deeper and deeper, whoa  
Deeper and deeper, whoa  
Deeper and deeper, whoa  
Deeper and deeper, whoa  
Deeper and deeper, whoa  
Deeper and deeper, whoaForget  
Out of reach and balance  
Now I... forget  
Forget  
Deeper  
Forget  
Forget  
Out of reach and balance

Now I... forget
