## Panic! At the Disco

The I. V. and your hospital bed  
This was no accident  
This was a therapeutic chain of events This is the scent of dead skin on a linoleum floor  
This is the scent of quarantine wings in a hospital  
It's not so pleasant  
And it's not so conventional  
It sure as hell ain't normal  
But we deal, we deal The anesthetic never set in and I'm wondering where  
The apathy and urgency is that I thought I phoned in  
It's not so pleasant  
And it's not so conventional  
It sure as hell ain't normal  
But we deal, we deal  
Just sit back, just sit back  
Just sit back and relax  
Just sit back, just sit back  
Just sit back and relapse  
Again Can't take the kid from the fight  
Take the fight from the kid  
Sit back, relax  
Sit back, relapse again  
Can't take the kid from the fight  
Take the fight from the kid  
Just sit back, just sit back You're a regular decorated emergency  
You're a regular decorated emergency  
This is the scent of dead skin on a linoleum floor  
This is the scent of quarantine wings in a hospital  
It's not so pleasant  
And it's not so conventional  
It sure as hell ain't normal  
But we deal, we deal The anesthetic never set in and I'm wondering where  
The apathy and urgency is that I thought I phoned in  
It's not so pleasant  
And it's not so conventional  
It sure as hell ain't normal  
But we deal, we deal Can't take the kid from the fight  
Take the fight from the kid  
Sit back, relax  
Sit back, relapse again  
Can't take the kid from the fight  
Take the fight from the kid Just sit back, just sit back  
Sit back, sit back, relax, relapse

Sit back, sit back, bababada  
You can take the kid out of the fight You're a regular decorated emergency  
The bruises and contusions will remind me what you did when you wake  
You've earned your place atop the ICU's hall of fame  
The camera caught you causing a commotion on the gurney again You're a regular decorated  
emergency  
The bruises and contusions will remind me what you did when you wake  
You've earned your place atop the ICU's hall of fame  
The camera caught you causing a commotion on the gurney again Can't take the kid from the  
fight  
Take the fight from the kid  
Sit back, relax  
Sit back, relapse again  
Can't take the kid from the fight  
Take the fight from the kid  
Just sit back, just sit back  
Sit back, sit back, relax, relapse  
Sit back, sit back, bababada  
You can't take the kid out of the fight  
The I. V. and your hospital bed  
This was no accident  
This was a therapeutic chain of events
