

# After the Fall

## Kodaline

People keep talking  
But I can't hear a word they say  
Life just keeps moving  
The world gets stranger every day And, yeah, "Time is on your side"  
That's what people tell you  
But I got to let you go My head is saying that this is for the better  
I just want you to know  
I can't hold on forever  
When all I wanna do is let go  
All I wanna do is let go  
Sirens are screaming  
But I can't hear a single sound  
And I'm feeling uneasy  
And I wait, and I wait for a change to come around I get the feeling that this is for the better  
And I just want you to know  
I can't hold on forever  
When all I wanna do is let go  
Ooh, ooh, yeah  
All I wanna do is let go  
Ooh, ooh Are you searching for an answer  
Or just peace of mind?  
When your life has lost its meaning  
Maybe you need a little time  
Are you searching for an answer  
Or just peace of mind?  
When your life has lost its meaning  
Maybe you need a little time
