

# Runaway

Ed Sheeran

I've known it for a long time  
Daddy wakes up to a drink at nine  
Disappearing all night  
I don't wanna know where he's been lying I know what I wanna do  
I wanna runaway  
Runaway with you  
Gonna grab clothes, socks, in the morning, go How long you leaving?  
Well dad just don't expect me back this evening  
Oh it could take a bit of time to heal this  
It's been a long day  
Thumb on side of the roadway, but  
I love him from the skin to my bones  
But I don't wanna live in his home  
There's nothing to say 'cause he knows  
I'll just runaway and be on my own I've never seen my dad cry  
Cold as stone, in the kitchen light  
I tell you it's about time  
But I was raised to keep quiet  
And this is what I'm gonna do  
Gonna runaway, gonna make that move  
Gonna grab clothes, and when it's morning, go How long you leaving?  
Well dad just don't expect me back this evening  
Oh it could take a bit of time to heal this  
It's been a long day  
Thumb on side of the roadway, but  
I love him from the skin to my bones  
But I don't wanna live in his home  
There's nothing to say and he knows  
I'll just runaway and be on my own Back pack, and a flat cap, turned to the back  
Cause I packed my closet  
My dad was a man without plans  
But taking turns to show love  
I don't wanna live this way  
Gonna take my things and go  
If things change in a matter of days  
Could be persuaded to hold up And mama was the same  
None of us are saints  
I guess that god knows that  
I don't wanna runaway  
And one of these days I might just show that  
Put my home in a suitcase  
Tie both showlaces, and hope that

Things change, but for now I leave town with a backpack on my shoulder  
I love him from the skin to my bones  
But I don't wanna live in his home  
There's nothing to say and he knows  
I'll just runaway and be on my own
