

# Cash

## Patti Smith

Here we go around again  
Curve of life spiraling  
Everything we've ever known  
As the seed of life gets blown  
And the miracle of time  
When will that time just end  
Remember, you decide  
Take that vow  
Grab that ring It's not a whim  
Not a whim  
When you be cashing in  
Try to turn your life around  
And all the things you do resound  
And then you can't loose control  
Say your time has come and then  
Hard to pinpoint find the seam  
Where that one time ends  
Where that time begins  
Remember, you decide  
Take that vow  
Take a stand  
Grab that ring  
It's not a whim  
It's not a whim  
It's only time  
That you're cashing in  
In the white noise of desire  
We can't hear a single thing  
Floating round the fragile bough  
Afflictions of the human soul  
Its beauty immaterial You decide  
Stand along  
The fallen ones  
Take revenge  
Defeated sons  
Rend that coat  
From seam to seam  
It's only time  
It's only time  
That you spend  
You spend  
It's only time

You spend  
Its only time  
You spend  
It's only life  
That you're cashing in
