The Nights

Avicii

Once upon a younger year
When all our shadows disappeared
The animals inside came out to play
Went face to face with all our fears
Learned our lessons through the tears
Made memories we knew would never fadeOne day my father, he told me

"Son, don't let it slip away"

He took me in his arms, I heard him say

"When you get older

Your wild heart will live for younger days

Think of me if ever you're afraid"

He said: "One day you'll leave this world behind

So live a life you will remember"

My father told me when I was just a child

"These are the nights that never die"

My father told meWhen thunder clouds start pouring down

Light a fire they can't put out

Carve your name into those shining stars

He said: "Go venture far beyond the shores

Don't forsake this life of yours

I'll guide you home, no matter where you are"One day my father, he told me

"Son, don't let it slip away"

When I was just a kid, I heard him say

"When you get older

Your wild heart will live for younger days

Think of me if ever you're afraid"

He said: "One day you'll leave this world behind

So live a life you will remember"

My father told me when I was just a child

"These are the nights that never die"

My father told me"These are the nights that never die"

My father told me

My father told me
