

Helicopter

Bloc Party

North to South
Empty
Running on
Bravado
As if to say, as if to say
As if to say, he doesn't like chocolate
He's born a liar, he'll die a liar
Some things will never be different Stop being
so American
There's a time and there's a place
So James Dean
So blue jeans
He's gonna save the world
He's gonna
Are you hoping for a miracle?
Are you hoping for a miracle?
Are you hoping for a miracle? Are you hoping for a miracle?
Three out of five, three out of five
(it's not enough)
Six out of ten
Better luck next time
Just like his Dad, just like his Dad
(same mistakes)
Some things will never be different
Hungry and dumb, hungry and dumb (so wait in line)
Queuing up for some more junk food
It's not my fault, it's not my fault
(just this once)
They're getting so much younger
Why can't you be
more European
Bastard child of guilt and shame
Bury your head
In the sand I'm thinking six, six, six
I'm thinking six
Are you hoping for a miracle?
Are you hoping for a miracle?
Are you hoping for a miracle?
Are you hoping for a miracle?
Are you hoping for a miracle?
(it's not enough, it's not enough)
Are you hoping for a miracle?

(it's not enough, it's not enough)
Are you hoping for a miracle? (...it's not enough, not enough)
Are you hoping for a miracle? (...it's not enough, not enough)
