

# Feet Don't Fail Me Now

## Foxes

Feet don't fail me now  
Don't fail me now  
Don't fail me now  
You're all I gotSo feet don't fail me now  
Don't fail me now  
Don't fail me now  
You're all I gotYou were all my riches  
Spent my love till there was nothing left  
You were all my sickness  
But you cured me of my lonelinessAnd I lost faith  
Nothing left here to say  
The ghost of us is fading  
And that's what I was chasing  
I got faith  
Saying it'll be okay  
Step by step  
I know I'll make it throughSo I'm saying all now  
Gotta go now  
Hold on  
Nothing's gonna bring me downSo I gotta reach out  
There's a way out  
Praying feet don't fail me now  
You're all I gotSecond chances  
Don't call me like they did the first time  
All the neighbours  
Knew it was done before you and I  
And I lost faith  
Nothing left here to say  
The ghost of those who's fading  
And that's what I was chasingI got faith  
Saying it'll be okay  
Step by step  
I know I'll make it throughSo I'm saying all now  
Gotta go now  
Hold on  
Nothing's gonna bring me downSo I gotta reach out  
There's a way out  
Praying feet don't fail me nowTake what you want, babe  
Take what you need, babe  
You can have it all  
But you can't have meSo I'm saying all now  
Gotta go now

Praying feet don't fail me now Feet don't fail me, don't fail me now (don't fail me)  
Feet don't fail me, don't fail me now (don't fail me)  
Feet don't fail me, don't fail me now (don't fail me now)  
You're all I got Feet don't fail me now  
Feet don't fail me now  
Feet don't fail me now  
You're all I got
